

ALLERGENS GUIDE

We recommend that you always consult your doctor for questions regarding your diet as Archie's, and all its employees, do not assume responsibility for a person's sensitivity or allergy to food provided in our restaurants. The allergen information provided is based on our suppliers' ingredient lists and is correct as of October 2023.

Please note that normal kitchen operations may involve some shared cooking and preparation areas and utensils, and the possibility exists that your food items may come in contact with other food products, including other allergens. Product availability and nutritional information for some menu items may vary by location. This document serves as a guide only. We encourage anyone with food sensitivities, allergies, or special dietary needs to consult a member of staff before ordering to ensure the most up to date allergen information is provided.
